

NORTH MYRTLE BEACH

2022-2023 Street Map & Resource Guide

Destination North Myrtle Beach Investors/Partners,

We are pleased to once again be working with the cartographic and marketing firm of Target Marketing to publish a new, up-to-date, full-color North Myrtle Beach Area Street Map and Resource Guide. This publication will be the only official map endorsed and distributed by Destination North Myrtle Beach, distributed to locals, visitors, new residents, and arriving professionals via the Visitor Information Center, Relocation Packages, and Tourism Promotions.

Accurate, user-friendly maps are a popular item for our visitors, new residents, potential commercial relocation candidates, and even our lifelong residents. Target Marketing will also be offering members an opportunity to be included on the popular mobile GPS app, Waze. This app has 110 million users and we are excited about giving you this option.

Here are a few more reasons to include your advertisement on the new map. According to US Census Data:

- Over 11% of the U.S. population relocates annually.
- In the first six months of moving to a new home, the average home owner spends over \$12,000.
- New movers are 5 times more likely to become your long-term customers - if you reach them first.

The Business and Professional Showcase Directory of Members section offers the opportunity to promote your business. This section will classify participating businesses by category, including a brief description of their products and/or services. Advertising space on the back cover and a limited number of interior display panel ads are also available. Participating advertisers will receive a complimentary supply of the folded maps and will be included on the web counterpart which will be prominently linked from the Chamber's website.

Don't miss out on the unique member opportunity to reach potential buyers, new residents and new partners. Space is limited, and sponsorships are reasonable, especially considering more than 10,000 maps will be printed and available for the next 12-14 months. A representative from Target Marketing will be reaching out to you over the coming weeks to present advertising opportunities. Additional information can also be found by clicking the button below to download the information form.

Sincerely,

Cheryl Y. Kilday, CDME
President & CEO

YES! I am interested in advertising in the North Myrtle Beach Street Map & Resource Guide!
